

DRESS CODE

The Board of Governors has deemed it necessary and proper to adopt rules and guidelines concerning the dress and attire of its members and guests while in attendance at the Club facility. Members are encouraged to consider common sense, respect for tradition, modesty and the comfort level of fellow members when making casual-attire decisions. These guidelines apply to all members, guests, and children of all ages. Responsibility for the enforcement and interpretation of the rules of attire is delegated to the General Manager. A violation of these rules is the responsibility of the Grievance Committee.

1. GENERAL RULES

As a general rule, the appropriate attire for the clubhouse is "Club Casual" or "Summer Club Casual" (between May 1-October 1), unless otherwise specified.

Members and guests may wear jeans of any color that is tasteful and in acceptable Club condition: neat, clean, absent of tears, rips or skin showing unless otherwise specified. Jeans are prohibited at all times on the golf course and in the practice areas, including the driving range.

Shorts of abbreviated length are always deemed inappropriate attire throughout the facility except at the swimming pool.

Hats and visors are not permitted in the clubhouse (except for the locker room and pro shop areas).

Whenever gentlemen are required to wear neckties and jackets, they shall continue to wear such garments throughout the occasion.

The following items are considered inappropriate and not acceptable attire in any area of the clubhouse or patio regardless of age or gender:

- attire of abbreviated length (i.e., bare midriffs, cut-off tee shirts, short shorts, miniskirts, etc.)
- bare feet
- sweatshirt hoodies and sweatshirts with large logos
- torn, ripped, sloppy jeans, clothing, or footwear
- sweatpants
- undershirts/garments should never be seen
- fishnet or see-through tops without proper lining
- t-shirts for dinner service

2. GOLF COURSE AND PRACTICE FACILITY:

Golf shoes should be worn on the course, only soft spikes are permitted. Metal spikes of any kind are prohibited.

Gentlemen:

Gentlemen shall wear full length trousers or Bermuda length shorts deemed appropriate for golf (i.e., tennis, cargo or hiking shorts are not permitted on the golf course.) Jeans of any style or color are not permitted on the golf course or practice areas. Shirts must have appropriate collars or mock turtle necks. Shirts must be tucked in trousers/shorts. If wearing a hat, it must be worn facing forward.

Ladies:

Ladies shall wear slacks, shorts or skirts designed for golf wear. Jeans of any style or color are never permitted on the golf course or practice areas. Ladies' shirts must have either a collar or sleeves and should be appropriate golf attire.

While the club does not discourage wear of stylish/fashionable golf attire, proper decorum should be exercised at all times. Any member, their spouse, children, or guest(s) whose golf attire is deemed inappropriate or not in compliance with the above by the Starter will not be allowed on the course or practice areas without first changing into something more appropriate.

3. RACQUETS COURTS:

The following dress code has been adopted by the Mill River Racquets Committee and the Board of Governors to ensure that all members have a pleasant atmosphere in which to enjoy the Club's racquets facilities and services. Members are responsible for ensuring that their guests follow dress code policies. Club management and our racquets professional will politely deny service or access to our racquets facilities to any member or guest not in compliance with this policy.

Players and their guests are required to wear traditional tennis attire at all times.

Traditional tennis attire for men includes appropriate tennis shirts, tennis shorts and tennis or pickleball shoes. Golf shoes are strictly prohibited.

Traditional tennis attire for women includes tennis shirts which may be sleeveless, tennis tops, tennis shorts, tennis skirts and tennis or pickleball shoes. The following clothing are strictly prohibited on the racquet courts: undershirts, tank tops, beachwear, work-out, running, cargo and basketball shorts, sports bras worn as tops, as well as cross training, basketball, jogging or street sneakers.

Juniors are required to adhere to the same dress code as adults.

4. SWIMMING POOL:

All members and guests, regardless of age or gender, shall wear swimming attire which exhibits a degree of modesty; thong bikini bathing suits are prohibited.

5. DAYTIME DINING:

Attire which is appropriate for wear on the golf course and racquets courts is deemed appropriate for wear in the grill room, main dining room and main bar until dinner service or an organized event begins. The posted dress code for said event shall be followed.

Attire which is appropriate for wear on the golf course and racquets courts is always deemed appropriate on the patio and garden, unless those areas are being utilized for dinner or other events, Or the membership has been previously notified of other required attire.

Hats and visors are not permitted in the clubhouse (except for the locker room and pro shop areas). Hats are permitted to be worn on the patio except during dinner service or organized events when the dress code for that event will dictate the dress code.
